

GROK BOT FOR LANDSCAPE MANAGEMENT COMPANIES

Your whole company, backed by an AI team.

A bot for each part of your business, led by a Chief of Staff, for growing companies across San Diego County. **You approve everything that goes out.**

Grok Bot vs. one-off ChatGPT or Claude chats

 **One-off chats:** a window you visit to ask questions.

 **Grok Bot:** a standing team that remembers your business, runs routines, and uses your tools.

"automate a staff function for yourself and scale yourself with a team of bots"

Public Grok Bot workshop video shared by @0xSoural on X

A BOT FOR EACH BUSINESS AREA

Example approaches: here's how a Grok Bot team could help

Operations

- Crew schedule summaries from your scheduling tool or calendar
- Weather watch using public forecasts
- Rain-day reshuffle plans drafted for your approval
- Job follow-ups so nothing slips
- Equipment and fleet maintenance reminders

Sales

- Bid and proposal follow-ups, drafted for approval
- Finds HOA and commercial property managers
- Prospect research from public sources
- Contract renewal reminders, well ahead of time

Marketing

- Reminders to request reviews from happy clients
- Drafted replies to new reviews
- Seasonal campaigns, like spring cleanups
- Neighborhood marketing in your service areas

Accounting

- Overdue invoice follow-ups drafted for approval
- Cash-flow summaries from QuickBooks reports or exports
- Bill due-date reminders; you make the payments

HR

- Tracks your hiring pipeline, step by step
- Certification and license renewal reminders
- For example, pesticide applicator licenses

WHEN RAIN IS IN THE FORECAST

Checks the public forecast

Drafts a reshuffle plan

You review and approve

You share it with crews

It helps at home too

Finds local events that match your interests

Plans trips like a travel agent: flights, stays, a day-by-day itinerary. You approve any booking.

Personal and family reminders

Reese's own bot is planning his Europe trip right now.

Real operations experience. Reese Harris has consulted with landscape companies for years, mostly on marketing. He also hired 125+ people while running operations and IT at a training company.

Start with a **Stack Map**

A working session and written plan for your business, mapping where a Grok Bot team fits.
